

# Test Prep

Use these pages to review for exams. Each page lists the topics covered, links to relevant guides, and includes one sample problem of each type you'll see on the test.

## Study Strategy

These sample problems show the **format** of each section – the actual test will have different questions. Use the topics table to guide your review, then practice the sample problems to check your understanding.

Exam	Coverage	Status
<a href="#">Test 3</a>	Weeks 7–9 + cumulative	✔ Available
<a href="#">Test 2</a>	Weeks 5–6 + cumulative	⊗ Not Available
<a href="#">Test 1</a>	Weeks 1–4	⊗ Not Available
