

Finals Week – Reflection

Jun 9 – Jun 11

Due This Week

 **AI Diary – Due: Thursday, June 12 at 11:59 PM**

[Canvas · Site](#)

Submit your completed AI Diary from the quarter.

 **Course Reflection & Peer Ratings – Due: Thursday, June 12 at 11:59 PM**

[Canvas](#)

Submit your written course reflection and peer ratings.

What You Should Be Working On

- **Compile your AI Diary** – make sure all weekly entries are complete.
- **Write your course reflection** – reflect on the project, what you'd change, and advice for future students.
- **Complete peer ratings** – rate your group members (not shared, not used for grading).

Learning Objectives & Course Outcomes

Syllabus Learning Objectives addressed this week:

- **L07:** Collaborate in teams using version control workflows, sprint milestones, and code review

Course Outcomes:

- **Communication/Self-Expression** – collaboration to solve problems and advance knowledge
